

Greetings to you over there. I am sending some photos showing what the money you have been sending to the orphans have done. There is one photo showing a new classroom block which we used the money you send to buy iron sheets to roof the class room. There is also a photo showing the teachers standing in the school compound. The rest of the photos show pupils in the class learning and they are seated on the desks and benches that were purchased using the money you send. There is also a photo showing the text books that we purchased to help in teaching the pupils.

When I went to take these photos the director who is also the pastor of the school gave me this message to send to you.

I would like to thank you very much for the offering you have been sending to help the orphans. We got the money and together with bishop Okello, we used the money to purchase the text books, iron sheets for roofing one of the two class room block we have constructed and we also bought benches and forms for the pupils to sit on while in class and some money was also used to purchase some exercise books for the orphans to use in class.
